

ANNOUNCING THE NEW HBN DOWNLOAD TOOL

DOWNLOAD AND SAVE PROGRAMS TO YOUR PC OR LAPTOP!

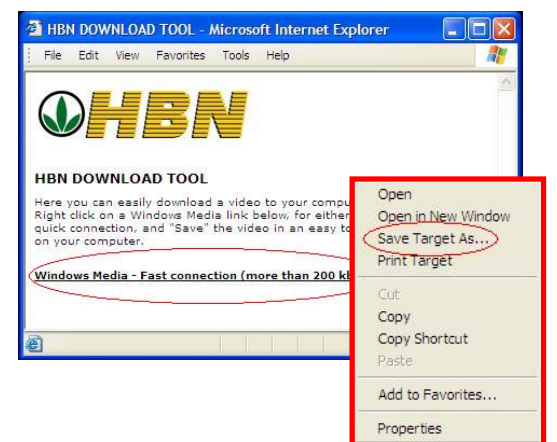

With this great tool you can download programs and then show them to your organization and customers. You don't have to be connected to the internet. Your opportunities to share the excitement have just increased.

HOW DO YOU DOWNLOAD A PROGRAM?

It is easy!

Just follow these steps for a successful download.

- 1) Log-on to HBN from www.MyHerbalife.com.
- 2) Once HBN interface opens, locate the library on the top left and scroll down the list of topics to click on "Downloads".
- 3) The interface will re-set and the small TV screens down the left side will now change to give you program options you can play and watch. Click on the program you would like to watch and the centre main TV screen will now play that program.
- 4) To download the program, left click on "DOWNLOAD THIS VIDEO" which is located under the centre main TV screen and a new window will pop-up.
- 5) On the pop-up, right click on "Windows Media – Fast Connection" and a windows menu will pop-up.
- 6) Left click on "Save Target As" and a "Save As" window will open. Choose the location you would like to save the video and choose "save". The speed of the download may vary depending on the type of internet connection you have.

PROGRAMS AVAILABLE FOR DOWNLOAD:

Beginning April 2006, you will be able to download and save specific programs direct to your computer, such as:

- The 2006 Extravaganza Promotions
- "I Love LA" Promo for LA 2007
- Highlights of "Herbalife in Action"
- Highlights from the Herbalife Honors 2006

Watch the award winning HBN and check back regularly for programs that will be added for download. This new tool is one of many enhancements that HBN is introducing to help you deliver the best training, information and inspiration!
