WE ARE PROUD AND HONORED TO PRESENT FOUNDER'S CIRCLE MEMBER;

Susan Peterson

**EXPOSE YOUR ENTIRE ORGANIZATION
TO THE INSIGHT, WISDOM, AND INVALUABLE EXPERIENCE
OF FOUNDER'S CIRCLE MEMBER SUSAN PETERSON.**

Susan Peterson was inspired by Mark Hughes, the founder of Herbalife, to achieve the highest levels in Herbalife and become all she could be not only professionally, but personally. "Mark was inspired by the stories – the testimonials – by helping people," Susan says. "I feel the same inspiration, and I am still filled with excitement for this business every day. All the people I have worked with over the years have kept me focused on the 'big picture.' They have kept me moving forward and helped me achieve success." I always look forward to sharing my experience to help others know where their focus should be and to know that if they work they can share the wealth that Herbalife offers.

Susan feels that Herbalife has truly blessed her; "it's amazing, my kids have been to just about every major city in the world!" Susan has multiple homes and is moving to the center of the 4th largest city in the USA, Houston, Texas. "It is where I grew up and the place I wanted to return. The mountain community was great for the kids but this fall they are entering University to continue their academics and it was an easy decision for me to move "home" close to family and old friends." It's a quick trip by air to the Colorado home so Susan has the best of both worlds. "I enjoy a life of dreams fulfilled, but the best part is sharing the experiences, the travel, the good fortune with the people I love. I can never thank the company and the people who have walked the road ahead of me enough," Susan adds. "They have all contributed to who I am, and where I am. I am incredibly blessed."*

Imagine yourself in a room packed with fellow achievers for three days of intense training with one of the pillars of Herbalife as she shares her insights on leadership and MORE! Make this possible by qualifying and attending the 2009 Herbalife University in beautiful Taiwan!
