

Guest Speaker Announcement

Learn the secrets to India's success from one of the hottest leaders in Herbalife today.

Ravi Sundaram, President's Team

I came from a lower middle class family in India. I traveled from a small town to Chennai with a train ticket and a US\$15,000 debt in my pocket. I had not even completed my college education to find a proper job.

When I visited one of the Herbalife meetings, the business opportunity inspired me. I wanted to sign up as a Distributor, but did not even have enough money to buy an IBP. I borrowed money and signed up in December 1999. I was overweight when I started. Due to the incredible products, I lost weight. The product results inspired me to confidently pursue the business. I was fascinated with the income and went full-time in just 3 months. In 10 months, I qualified for the President's Team and earned a 7-digit income just on my first year with Herbalife.

Today, I live a life of my choice. I drive a sedan that was purchased without any loans. I own a beautiful penthouse in a posh locality of Chennai. Recently, I have bought a property worth over US\$650,000 also in Chennai. As a President's Team member, I earn over US\$56,000 a month. I have traveled abroad more than 35 times and gave wonderful vacations to my family. The best part of it is, now that I have the money and freedom, I can provide the best for my family. Herbalife has truly transformed me from a "nobody" to a "somebody!" I would like to thank Mark Hughes for this incredible opportunity and also thank my sponsor Sukumar for introducing Herbalife to me and for mentoring me.
