

Launching the Herbalife Decade with our very own anthem, “We Are Here”

Written by singer and songwriter Ace Young

Herbalife debuted a new song, written specifically for our company, at the 30th Anniversary Leadership Summit to over 4,000 people in Orlando, Florida, this March. Ace Young, *American Idol* finalist, performed the English version in tandem with Elvio Fernandes, singer and songwriter, who performed the song in Spanish.

Ace Young is an internationally recognized performer and Grammy-nominated songwriter. He has written #1 songs in the United States and Europe. Inspired by the spirit of our independent Distributors, Ace wrote and produced Herbalife's new anthem, *We Are Here*, which will be with us for years to come. He is one of *American Idol*'s most recognized finalists from Season 5 and has co-hosted his own celebrity talk show. Currently, Ace is the lead in his third Broadway production, the Tony Award-winning revival of *Hair*. He is also working on his second album and working with other recording artists writing, performing and producing music.

Elvio Fernandes is an accomplished singer, songwriter and producer, who has performed around the world and worked with many renowned artists and musicians. He is the lead vocalist on the Spanish version of the anthem.

We Are Here

(Herbalife anthem)

*We can cross any sea
Climb any mountain to reach our dream.
We just have to believe,
Trust the voice that is whispering within.
And no matter where we go
We'll be standing together as one.*

*We are here. We are strong.
Finally found where we belong.
Herbalife
Round the world
Come together, we are one.
And we'll never give up
Knowing we can make a change.
Herbalife.*

*We have walked through the rain,
Now there's no place that I'd rather be.
And we all wear the name,
Side by side we are all family.
And no matter where we go,
We'll be standing together as one.*

*We are here. We are strong.
Finally found where we belong.
Herbalife
Round the world
Come together, we are one.
And we'll never give up
Knowing we can make a change.
Herbalife.*
