Goa Vacation was absolutely grand and one of the classic vacations I ever had! The stay arrangement was so beautiful that it was worth making an effort to qualify. Herbalife not only took care of our food, stay and travel, but also gave us the shopping allowance. Hats off to Herbalife India corporate!

“First of all I would like to thank the corporate for this bonus vacation and special thanks to corporate India for having taking care of us, thanks for the travel voucher of \$500 on top of that thanks for giving us another welcome gift card worth \$150. First time I was able to provide such a vacation to my family, my children enjoyed the swimming, the atmosphere of the hotel and had good time. They are all so happy after this vacation. We are waiting to go for the local getaway vacation. It was the best gift I could provide for my family.

I thank this dream come true company Herbalife for giving this wonderful vacation for my family and myself. As we entered the hotel we were welcomed and we were given a gift voucher to do shopping. Kids had lot of fun doing the adventurous activities like rock climbing, jumpering, good time in the swimming pool. Lots of food, lot of surprise gifts from Herbalife every day.
