

Introducing **BIZWORKS**

Enhancements

Your business is constantly evolving and so is BizWorks. We're happy to announce a number of enhancements coming your way at the **end of June**.

Reports

All column reports to include these new functions:

- Add and remove columns
- Sort and filter columns (coming soon)
- View by all levels and combined levels (i.e., level 1 or levels 1–3)
- Display 25 months of data
- Additional information per individual in Tree View Report

My Contacts, Bulk Email and My eCards

- Easier to use and enhanced interaction between reports and ability to add to Contacts
- Enhanced interaction between reports and ability to email Distributors on filtered list
- Advanced scheduling of eCards

Languages

Languages supported by BizWorks include English, Spanish, Portuguese, French, Italian, German, Traditional Chinese, Japanese and more!

Special announcement about Sent eCards

All eCards sent prior to Friday, June 25, will NOT be accessible after the new upgrades are launched. Following are instructions on how to archive sent eCards:

- Create a "Sent eCards" folder on your desktop
- On MyHL.com, go to My eCards>Manage My eCards
- Left click on the thumbnail in the Preview column to view the sent card in a pop-up
- Right click on the eCard and Save As to your desktop folder

Please note

- The BizWorks pages on MyHerbalife.com will be temporarily unavailable from June 25 through June 27.
- As of June 23, we will temporarily pause all new subscriptions until the upgrades are launched.

New Subscribers get a two-month free trial with no setup fee!

Package Pricing

Downline Package

\$9.95 per month
(a **\$10 monthly savings** as of the July billing cycle)

- If you're a multi-month subscriber to BizWorks, we'll reach out to you to ensure you're taking advantage of this savings.
