

Southern California Wildfires Disaster Relief Fund

The Herbalife Family Foundation (HFF) has established the Southern California Wildfires Disaster Relief Fund. The extent of the damage is already widespread, with more than 400,000 acres burned across seven counties. More than 3,000 homes and other structures have been lost to the fires and over 350,000 households displaced by mandatory evacuations.

HFF will be collaborating with the LA Galaxy and the Hollywood United F.C. to host a celebrity charity match, at the Home Depot Center, on Sunday, November 4, at 5 p.m. All proceeds from the match, including donations collected on the day of the game, will go to the American Red Cross and The Salvation Army to help their efforts to aid families affected by the wildfires.
