Vinay Kumar Seeram & Himabindu Sivaganga, Guntur, India)

Hi, I am Vinay Kumar; before Herbalife. I was introduced to Herbalife 19 months ago in the month of May 2007 through the Herbalife button. "Before Herbalife", I was 98Kgs and had tried various methods to lose weight, I started using Herbalife products and lost incredible 26Kgs.

I was very impressed with my product results and at the same time my sponsor's trainings supported me to start the business.

My first month Herbalife income was \$1354 which gave me a lot of confidence on my business. I attended an Extravaganza in Singapore in July 2007 which changed my way of thinking. I started to focus on recruiting more first lines, increased my personal volume points and concentrated on qualifying my down lines to Active World Teams which not only helped me to qualify for Herbalife 30th Anniversary Vacation, also qualified for the Getaway and 5 star experience. I am very excited to qualify for the 30th Anniversary Vacation!

Thank you Herbalife!"

Herbalife salutes Vinay Kumar Seeram & Himabindu Sivaganga for this outstanding achievement of being among one of the first to qualify!
