Frequently Asked Questions:

1. How will I be charged?

The total bill charged to your Bancnet ATM card will be automatically debited from your bank account, as if you withdrew that amount from an ATM machine.

2. How do I know if I have enough funds in my account to pay for my order?

You may request the Herbalife staff to do a "balance inquiry" first to find out how much is in your account before you decide to charge your order to your ATM account.

3. Can I use this method if I am not in the DC?

No, this method can only be used if you walk into the DC and are physically able to present your Bancnet ATM card and personally key in your confidential ATM Pin Code.

No need to register or enroll. All Bancnet ATM cards are fully equipped for this service.
