

OFFICIAL PARTNER FOR SPORTS NUTRITION AND OFFICIAL PARTNER AND SPONSOR OF F.C. SCHALKE 04

HERBALIFE.

Herbalife goes hand in hand with world-class sporting teams around the globe and in no area is this more apparent than with soccer, the world's most watched sport. This relationship continues in 2010 as we proudly announce our partnership with one of the best soccer teams in Germany, F.C. Schalke 04.

Schalke is currently a favorite to win this year's Bundesliga, Germany's premier soccer championship.

Schalke is no stranger to success with a string of titles under its belt: Seven-time national champion, four-time national cup winner and one-time UEFA cup winner.

Each year since 2001, Schalke has competed in one of the international championships, leading to huge global exposure. With around 80,000 members, Schalke is the second biggest sporting club in Germany. The 1,300 Schalke fan clubs have around 150,000 members worldwide. The Veltins-Arena, home of Schalke, has been sold out for more than eight years non-stop at every home match.

We are thrilled to partner with this exciting and historically rich club.
