

We need your support

With entire towns decimated and the number of casualties growing by the hour, the fires raging in the southern Australia state of Victoria are the deadliest natural disaster in Australian history. The death toll is growing daily, thousands of residents have been left homeless, more than 70 schools closed and businesses decimated.

How you can help

Herbalife Australia and the Herbalife Family Foundation will make donations in support of relief efforts. Your donations will help provide necessities like clean drinking water, food, blankets and clothing to displaced families. SKU E979 has been established to collect donations from distributors that are willing to support this effort.

Employees will be given the opportunity to support this relief effort by giving directly to HFF through cash, check, credit card, and one time payroll deduction. All funds collected will be sent to organizations already in place providing relief at the site of the disaster.

Options to Donate

If you would like to help, you can donate online at our secure Web site www.herbalifefamilyfoundation.org or through your call center using SKU E979.
