

In an effort to support our Distributors, we are distributing a series of flyers with information on Business Rules & Policies. We hope this will be of benefit to your business endeavors.

HERBALIFE INTERNATIONAL EXPORT POLICY

- The sale or distribution of **Herbalife** products is prohibited in countries not open for business.
- Advertising **Herbalife** or using its name, organizing **Herbalife** Opportunity Meetings, and promotion of **Herbalife** products or business opportunity is prohibited in countries not open for business.
- Distributors may only sell products approved for a specific country within that country.
- Distributors may not ship or arrange the shipment (directly or indirectly) of products from one country to another, whether or not it is for personal consumption.

We would very much appreciate it if you can remind your Distributors and Organizations of these rules so that we are all in compliance.

Please ensure that the Rules in the IBO are carefully read, thus maintaining the integrity of Herbalife marketing plan and facilitating a healthy business growth for you and your organization.

Should you have any questions please contact Distributor Services Department at (65) 6416 8448. Our Team will be happy to assist you.

****Herbalife International Export Rules is also available on www.myHerbalife.com under 'Distributor Policies'****
