HERBALIFE BECOMES THE OFFICIAL NUTRITIONAL SUPPLIER OF ITALIAN FOOTBALL LEAGUE CHAMPIONS, INTERNAZIONALE FC

We are excited to announce that Herbalife has signed an agreement to become the official nutritional supplier of Italian football club Internazionale FC ("Inter") and H3O Pro will be the isotonic drink of Inter for season 2008-09.

Millions of people will see the Herbalife logo showcased throughout the home stadium of Inter, as well as through Inter's many multi media channels, such as its club magazine, cable TV channel and in-stadium broadcasts.

Inter is based in Milan and has won many national and European trophies during their 100 year history. Inter is the current Italian league champions, having won the title for the last 3 consecutive seasons.

Football is the most popular spectator sport in Italy. Statistics show that approximately 40 million people in Italy are football fans, with 23 million watching a live game or TV highlights every week. Approved materials for Distributors and complete guidelines will be available soon.

This is an exciting partnership!
